Education

Indian Institute of Information Technology Bhagalpur

Nov 2021 – July 2025

Bachelor of Technology in Electronics and Communication Engineering

Bhagalpur, Bihar

Grade: 8.09/10 (*Absolute*)

Technical Skills and Interests

Languages:C/C++, JavaScript, CSS, React, Node.js, HTML, Standard Template Library(C++ STL), SQL

Developer Tools:Git/GitHub, MySQL, Replit, VS Code, Multisim, Jupyter Notebook

Framework:React.js, Node.js, Express.js

Soft Skills:Communication Skills, Problem-Solving, Leadership Skills, Collaboration and Teamwork

Coursework:Data Structures and Algorithms, Object Oriented Programming

Area of Interest:Web Development, Problem Solving, Team Leading

Experience

Gloify

May 2024 - July 2024

Front-End Developer Intern

- Developed and implemented user interface components using React JS, ensuring optimized performance across various devices and browsers.
- Collaborated with designers to accurately translate UI/UX designs into interactive, dynamic web pages, maintaining design integrity and responsiveness.
- Actively debugged and troubleshooted issues to enhance application stability, participated in code reviews, and contributed to establishing best practices within the development team.

Projects

Portfolio X (HTML, CSS, JavaScript, React)

Dec 2023 - Jan 2024

- Built a responsive portfolio website using HTML, CSS, JavaScript, and React to showcase projects and skills.
- Leveraged React for dynamic content rendering and component-based architecture.
- Designed a visually engaging and responsive layout using advanced CSS techniques like Flexbox and Grid.

Dine Divine (HTML, CSS, JavaScript, React, Node.js, MongoDB, Express)

March 2024 - May 2024

- Developed a full-stack restaurant website using the MERN stack (MongoDB, Express, React, Node.js), featuring a dynamic and responsive user interface.
- Integrated dynamic components and responsive layouts to enhance the user experience across devices.
- Optimized front-end performance, ensuring faster load times and smooth functionality.

Position of Responsibility

- Art Club Secretary**, Served as Art Club Secretary EBSB Board at IIIT Bhagalpur.
- Coordinated a cultural artistic drive as lead for **Enyugma 2023**, participants includes different IIT's,NIT's.

Achievements

- Participated in different coding contests at Code forces under the handle [conflict_code](#)
- Solved **400+** Data Structure Algorithms Questions on different platforms (**Leetcode**, **Codechef**, **Codeforces**)
- Participated in college hackathons and technical fests to create innovative solutions to real-world challenges.
- Completed an internship as a front end developer at Gloify, gaining hands-on experience in front-end development.
- Secured **3rd Prize** in the National Painting Competition (AVANTIKA), recognized for artistic excellence at a prestigious national-level event.
